

Suggested Bible-Reading Plan for Isaiah

Nuneaton Christian Fellowship - April and May 2018

Isaiah was a prophet to the Southern Kingdom of Judah during the reigns of 4 kings (c.740-c.687BC). If you count the number of verses, then the book of Isaiah is the fourth longest book in the OT. There are many connections you can make to other books of the Bible. A few have been stated in this Plan. What other sections of the Bible could *you* connect with what Isaiah said?
